Aspire, Believe, Achieve!

'I can do all things through Christ who strengthens me' Philippians 4:13

What a fabulous day the children had on Tuesday as they participated in Safer Internet Day. There was lots of fantastic work going on around the school which focused on the **'Digital 5 a Day'** campaign. See our school facebook page, our school twitter account, youtube channel or our website (www.stlukesprimary.co.uk) for examples of the stunning work!

Next week's Collective Worship theme is about Jesus, the Miracle Man!
Which miracles do you know about?
Can you recognise any from the pictures?

Punctuality

Being on time is an important life skill and something that we must all strive towards. Being late to school can be very stressful for both you and your child and can have an impact on your child's learning. In addition, not being collected on time can also be worrying for your child. Please be on time or let the office know if you are running late and need to use our Skoolz Out facility.

At St Luke's, we try our very best to maintain our 'Open Door' policy so that any concerns or queries can be addressed and resolved as quickly as possible.

I understand that sometimes situations involving your child can be stressful but can I please remind all parents/carers to treat all members of staff with respect. Thank you.

Thank you to those parents/carers who have expressed an interest in volunteering at our school.

For those who are interested, please complete and return the forms before Friday 15th February so that Mrs Samuels can arrange a meeting / workshop after half-term to discuss the role of the volunteer and inform you of the next steps, etc.

If you need another form or more information, please see the staff in the main office or speak to Mrs Samuels. Thank you.
