***'I can do all things through Christ who strengthens me' Philippians 4:13***

Well, what a fabulous few weeks it has been! During our Sports & Health week, there has been a wide range of activities going on throughout the week from tennis, archery, zumba, rounders, healthy snacks, drugs education, first aid, competitions and much much more! Well done to everyone for taking part and the staff for making it happen!

In addition, members of our school attended the Digis 2018 at The Grand Theatre evening as we were nominated in several categories which is a great achievement. Our school won awards for Best Publication (KS1), Best Animation (KS2a) and Best Game or Program (KS2b).

On Wednesday evening, what a lovely Summer Fayre we had! The sun was shining and everyone had a lovely time! It was lovely to see so many families enjoying the games, the competitions, talking to the different visitors and of course, the food! We raised nearly £1200 for school fund so well done everyone! Thank you for your support!

And then last night, we had a group of children who represented our school in the City Athletics Finals @ WV Active Aldersley and they were brilliant! We had lots of medals:

80 m: Christopher (Y6) Silver medal  
80 m: Ntando (Y5) Bronze medal  
150 m: Emmanuella (Y5) Bronze medal  
150 m: Christopher (Y6) Silver medal  
300 m: Ntando (Y5) Silver medal  
Long Jump: Emmanuella (Y5) Silver medal

**Our children were a real credit to our school and the support of parents, families and friends deserved a Gold medal too!**

Next week is also another busy week with Sports afternoons and children meeting their new teachers. On Thursday 19th July, we will be saying farewell to our Year 6 children. They have been a real credit to our school and have worked so hard, achieving fantastic SATs results and making good progress! We are so proud of them. In addition, we will also be saying thank you and goodbye to several members of staff: Mrs Klosowicz who is retiring, Mr Carr who has retired, Miss McGreavy who is going to undertake a teaching course and Miss Oxley, who has taught many children to play brass instruments, is retiring. We wish them all the best and hope that they keep in touch with us all. Please feel free to join us at our end of year service on Thursday 19th July at 9:00 a.m. where we will say a special goodbye to Year 6 and those members of staff who are leaving.

**As it has been Sports & Health Week, there are no Stars or Good Citizens of the week but instead there have been lots of competitions going on!**

### Would you be interested in paying for school meals and visits online?

We are currently looking at purchasing software which will enable parents/carers with a secure and easy way to pay for things online. This will obviously only work if we get a sufficient number of parents/carers who are interested.

If you are interested, please let a member of the school office staff know so that we can see if this something parents want at our school. If there is sufficient interest, this is something we hope to introduce for September. Please let us know your thoughts!
