After-School Clubs

Dear Parents/Carers, at St Luke's we are really proud that we can offer such a wide range of after school clubs each term. This is because our staff are willing to give up their time as they value and recognise the impact and benefit that extra-curricular activities have on your child.

All children from Year 1 to Year 6 have a range of activities to choose from but there is a limit on how many children can take part in certain activities, hence maximum numbers. This does mean that some children may not get all of their choices. However, we do aim to ensure that all children get to participate in at least one of the activities they have asked for.

Please understand that this is not the case at all schools. Some schools do not offer after school clubs and other schools only offer one after school club per term which is for a specific year group. There are not many primary schools in our city that offer the range of activities that we do.

As parents/carers, please do not take our clubs for granted; please value them and recognise the hard work that goes into organising them. Also, remember that without the staff at St Luke's, we would not be able to offer such a wide variety. Thank you. Mrs Grennan.

Can I please remind parents/carers to think about where you are parking your car when dropping off or collecting your children. Please do not block people's drives, the school gates or pathways - they need to be kept clear.

Our school is very busy at the beginning and end of every day, please be careful and think about where you park! Thank you, Mrs Grennan

Now, Y'all just behave!!

Our Collective Worship theme next week is linked to our Blue Rainbow Rule: Behave sensibly and safely!

Please pray for:

- Mrs Parkes (Y6 teacher) who has recently had an operation. She will hopefully be back soon!
- Mrs Kirk (Y2 teacher) who is going to have an operation on Monday.
- Year 6 children who are off to Condoover Hall today.
